

# A special offer for the Pan Mass Challenge community

At PwC, solving important problems in our communities is a cornerstone of who we are and what we do. We also believe that helping other leaders develop their skills can help multiply the impact we're having. Below are some special resources for the PMC volunteer trailblazers who want to take their leadership to the next level. Together, we have the power to help create significant change.

- [Sign up for a free digital subscription](#) of PwC's award-winning strategy+business magazine. This quarterly publication has been recognized by Forbes as a top website for CEOs and features unconventional wisdom from executives, leading business thinkers, prominent academics, and subject matter specialists.
- [Download our free Digital Fitness App](#) designed to help you become digitally upskilled on more than 60 different tech trends. The app is designed to help people prepare for what comes next in their lives and careers and is updated in real time.
- Now is a more important time than ever to double down on diversity and inclusion efforts in the workplace. [Download our complimentary unconscious bias discussion guide here](#). Participants can learn to check their bias, speak up for others and help drive inclusive behavior for all.
